Tim Peacock, a senior vice president of Multi-Bank Securities, Inc. (MBS), has been involved with fixed-income trading since 2000.

Possessing experience as a trader, broker and lead CD underwriter, Tim offers a diverse understanding of both the asset and liability makeup of the fixed-income marketplace. At MBS, Tim led the core product group to develop eConnectDirect®, an online investment platform of fixed-income securities and CDs for the institutional market, which was released in 2012.

Tim is a graduate of Purdue University and has attained several FINRA licenses, including a General Securities Representative (Series 7), a Uniform Securities Agent State Law Representative (Series 63) and a General Securities Principal (Series 24).

Tim is married to Jennifer and has two children, Emily and Jack. He enjoys camping, boating, coaching youth sports, golf, bowling and family board game nights.
